## Bio Data

- Name: Nelly Mukabana
- Religion: Christian
- Marital Status: Single
- Nationality: Kenyan
- Languages: English, Kiswahili

## Professional Summary

I am a nurse with 2 years strong experience in delivering quality care to patients. I have worked in outpatient departments, maternal and child health, family planning, inpatient care, theatre, paediatrics, maternity, and the newborn unit. I also have experience in psychiatric departments, ward management, and rural health. I possess strong knowledge of medicine, pharmacology, and standards of care in hospital and private practice settings. I am a caring and reliable professional known for building rapport between medical providers and patients, committed to making patients more informed and comfortable during their care.
